

Evertite 100% Silicone Contractor Grade Caulk

Evertite 100% Silicone Contractor Grade Caulk 2601 2611

Evertite 100% Silicone is a versatile formula that is ideal for both interior and exterior applications. It offers excellent adhesion to many common construction materials, including vinyl, aluminum, brick, glass and painted surfaces. It also provides a strong, flexible seal that offers excellent water-resistance.

When fully cured, Evertite 100% Silicone can withstand extreme temperature conditions. It will not crack or become brittle with age and will not fade or yellow from its original color. It also extrudes easily in lower temperature and dries quickly.

Product No.	Description	Unit
2601	Evertite 100% Silicone 10 oz. - White	each
2611	Evertite 100% Silicone 10 oz. - Clear	each

Titebond Heavy Duty Construction Adhesive

Titebond Heavy Duty Construction Adhesive 5261 5262

Titebond Heavy Duty Construction Adhesive is the finest high-strength mastic available that exceeds the APA AFG-01 specification, D3498, FHA Use of Materials Bulletin #60, and ASTM C557. Versatile, waterproof, solvent-based adhesive that handles practically every job in construction, remodeling or repair. It is designed for a wide range of construction applications, including wet, frozen and treated lumber. It is also ideal for metal, brick, concrete, ceramics and most large panel-type substrates. It reduces the amount of nailing and helps eliminate squeaky floors.

Product No.	Description	Unit
5261	Titebond Heavy Duty Construction Adhesive - 10.5 oz.	each
5262	Titebond Heavy Duty Construction Adhesive - 29 oz.	each
