

### Medicine Cabinets Metro Deluxe Collection

#### Metro Deluxe Medicine Cabinets 52WH244/6DP 52WH344/6DP

The Metro Collection medicine cabinet series meets the needs of discerning consumers, remodelers, builders and designers who desire excellent craftsmanship, form and function at an affordable price point.

Exterior mirrors are premium float glass ensuring distortion-free viewing and a rich reflection. Available in both flat-front and beveled trim options - 1/2" bevel. Interior mirrors on the back of the cabinet and the inside door add light and functionality. Adjustable glass shelves provide superior light reflection, strength and easy cleaning. 170 degree concealed hinges allow wide door opening and smooth operation. Reversible mounting allows right or left hand opening. 14-1/4" wide wall openings allow for easy retrofit, or between studs for new construction. Available in 4" or 6" depths. Steel construction features our durable rust-resistant finishing process. ISTA approved packaging provides safe shipment and handling. All models below are recessed mount. Only 4" depth models can be surface mounted, which requires a Surface Mount Side Mirror Kit (760024 and 760034).

### Medicine Cabinets Gallery Deluxe Collection

Available in stainless steel with a black door, or a pristine white finish with a white door, with or without frame. The prism-like 1" bevel mirror provides a deep, rich reflection. 1/4" thick glass shelves allow superior light reflection and strength. Back and inside door mirrors provide added convenience and visibility, with finger grips for easy open/close and rubber door bumper for a soft, quiet closing. 170° Euro hinges allow wide door opening and smooth operation. Reversible mounting allows right or left hand opening.
