

Shower Doors

At Basco, our goal is to design and manufacture the finest shower enclosures available anywhere. Meticulously crafted to fit any application, our enclosures incorporate superior features for outstanding performance year after year. And Basco offers a spectacular selection of glass and frame options to complement today's diverse bath decors. It's this commitment to excellence that allows us to back our products with a lifetime warranty. So if you're looking for the finest enclosures with unprecedented value, choose Basco. And shower yourself in elegance.

Variety of Colors. Designed to compliment today's most popular faucet and bath hardware, Basco's palate of painted and metallic finishes allows you to create a perfectly coordinated bath environment.

Innovative Designs. Basco leads the industry with innovative designs that are truly superior in terms of aesthetics and performance.

Premium Glass Options. Basco offers the industries largest variety of luxurious glass options made from tempered cast sheets, our glass is the safest and strongest available.

Baked-on Bascoat Finish. Basco's own Bascoat finishing system protects your shower door's luster and shine. Durable polyester resin is baked into the surface to create an impenetrable moisture shield.

Hardened Aluminum Frames. Extruded and hardened with an exclusive heat treatment for maximum durability and lasting beauty. This process prevents bending and preserves the surface from unsightly scratches and dents.

Durable Hardware. Basco's solid brass hinges are engineered for heavy use and timeless beauty. Door pulls, towel bars and knobs are 30% heavier than other brands and come in a wide variety of elegant styles and finishes.

Stay Kleen Tracks. Basco's exclusive Sta-Kleen track prevents dirt from accumulating and makes cleaning a breeze. For swing doors, innovative drip systems keep water in the shower and off the floor.

Stock glass options are Clear (CL) or Obscure (OB). Stock frames are Brushed Nickel (BN) or Silver (SV).
