

## Door Ladders & Baskets

### Door Ladders DL1800-W DL2500-W DL4700-W DL5900-W

Put a door ladder together with several baskets and you'll create a large, convenient storage space. They are designed to fit standard base and pantry doors, and attach to pantry door to provide an adjustable storage rack. The rungs are spaced 2" apart. Ladders can be cut to shorter lengths and mounted with standard nylon fittings. Ladder baskets sold separately. Available in White epoxy-coated steel wire. Includes mounting hardware and installation instructions.

### Door Ladder Baskets SB1043-W

Ladder basket is designed for use with door ladders. This standard basket is designed for use with door ladders and other wire storage products. Durable epoxy coating makes cleaning easy. The basket hooks over ladder rungs on either ladder or swing-out rack, and they can be removed and relocated in seconds making the system extremely adaptable.

Product #	Description	Height	Width	Depth
