

Light Duty 3/4 Extension Drawer Slide

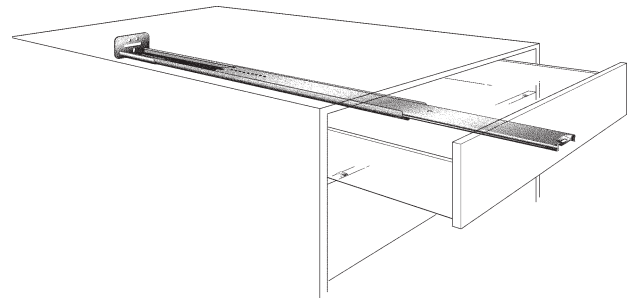

Light Duty 3/4 Extension Undermount Drawer Slide 1129

35 lb./16 kg. Load Rating

The 1129 is a light duty 3/4 extension drawer slide designed to adapt to most under-the-drawer mounting applications. The height is 1/4", and the clearance is 1/4" under the drawer. It features steel ball bearing movement, friction disconnect, rear socket and multiple hole patterns. Model 1129 has a zinc finish. For correct slide size, measure from inside of cabinet front to inside of cabinet back.

Poly packed with one slide per bag with socket, tack glides, screws and installation instructions. 10 bags per box.

1129P-20	3/4 Extension Undermount Slide	20"	each	10
1129P-22	3/4 Extension Undermount Slide	22"	each	10

Light Duty 3/4 Extension Variable Height Keyboard Slide

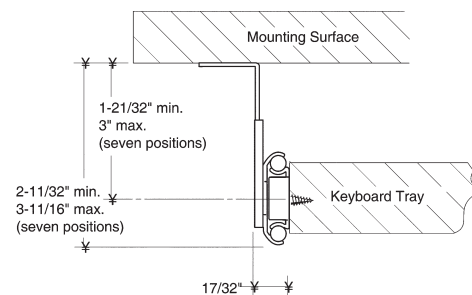

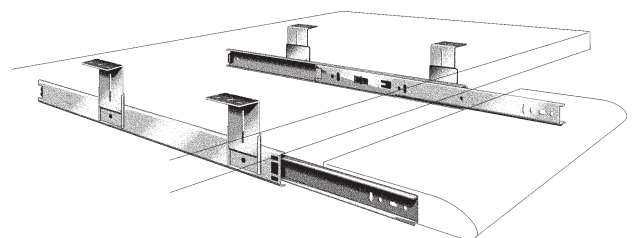

Light Duty 3/4 Extension Variable Height Keyboard Slide 8150

75 lb./34 kg. Load Rating

8150 is a light duty, precision 3/4 extension drawer slide with adjustable mounting brackets for drop-mounted keyboard applications. Cabinet members mount to the underside of a desk/table top using adjustable brackets, while the drawer members are side mounted. The overall drop height is adjustable from 2-11/32" to 3-11/16" in 7/32" increments. Cabinet members must be mounted parallel to each other and perpendicular to the case front. The clearance width of the slide is 1-5/8" per side (outboard bracket position), 5/8" per side (inboard bracket position). It features three precision steel ball bearings per inch of ball race for smooth, quiet movement and durability. The mounting brackets adjust to seven different heights and can be reversed for inboard/outboard mounting. The track member quickly disconnects using a positive lever release. The keyboard is held securely in the open position by a friction latch that allows easy closure. An anti-rebounding "stay-closed" design holds the keyboard in the closed position yet allows easy opening. 8150 has an anochrome finish.

Poly packed one set per bag with screws and installation instructions.
