

## Stor-Drawers & Accessories

### Stor-Drawers 3015-1673 3015-1615 3011-1115

SCHULTE's Stor-Drawer systems combine in dozens of space saving combinations. Precisely engineered for a lifetime of trouble-free service. Choose from multiple frame heights, drawer widths and drawer depths.

3015-1673 is a 7-runner frame set with two 2-runner and one 3-runner drawer medium Stor-Drawers. 3015-1615 is a 10-runner frame set with five 2-runner drawers medium Stor-Drawers. 3011-1115 is a drawer stop to prevent the drawer from being pulled out of the frame. Use two per basket.

#### Kitchen: Stor-Drawers in the Kitchen

The variety of sizes and stacking options means you can create an entire pantry from Stor-Drawers!

#### Bedroom: Stor-Drawers in Reach-In Closet

Use Stor-Drawers to add efficiency to any closet! They compliment shelving and provide the perfect place for socks, accessories and folded items.

#### Kids Closet: Stor-Drawers in the Kids Closet

Stor-Drawer units help kids keep playthings organized. Combining Stor-Drawers with lowered adjustable shelving will make everything so much more accessible for kids.

#### Laundry Room: Stor-Drawers

Stor-Drawers adapt themselves to so many household applications. Use them in the laundry to organize darks from whites!

#### Office: Stor-Drawers

This contemporary workstation is great for students and home offices. Matching shelving on freedomRail adjustable components provides plenty of shelving for office needs.

#### Hobby Room: Stor-Drawers for the Hobbyist

Ventilated Stor-Drawers and shelving are perfect for organizing craft stations. A desktop can span across two 10-runner frames to become a perfect work area.
