freedomRail®

freedomRail® **SCHULTE**
Step one. You're almost done! Distinctive Storage

freedomRail® is the newest development in closet systems. Combine ventilated wire shelving with the beauty of wood and you get a storage system that can be found no where else.

But the real beauty of freedomRail gives you the ability to create your own closet, your own look. And change it on a whim! You are never locked in. You can reconfigure a section or the whole closet - you can add to it or even move it to another room. Getting organized provides the peace of mind that comes from being prepared. And freedomRail will help bring a sense of order throughout the home. Products in white (11) and nickel (45).
